

1

To begin, visit our website at midlandu.edu/dual-enrollment. Scroll down the page and click the "Apply Here" button to start a new application.

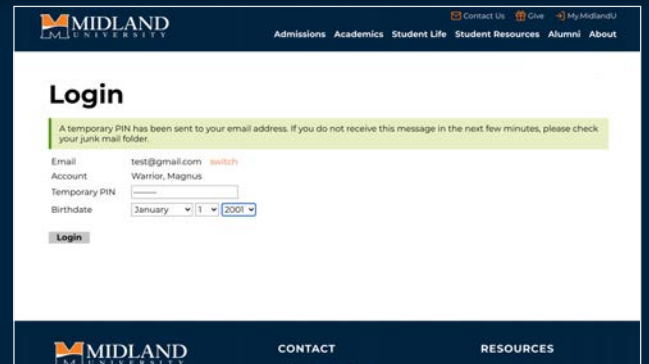

2

On the log in page you will be creating a new account. Use the STUDENT'S name and birth date as this is the name that will be enrolled.

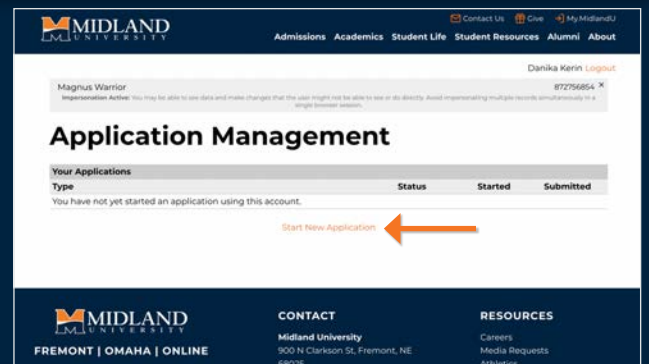

3

You will be asked to verify your email so make sure that you have access to it when applying and use a password you will remember.

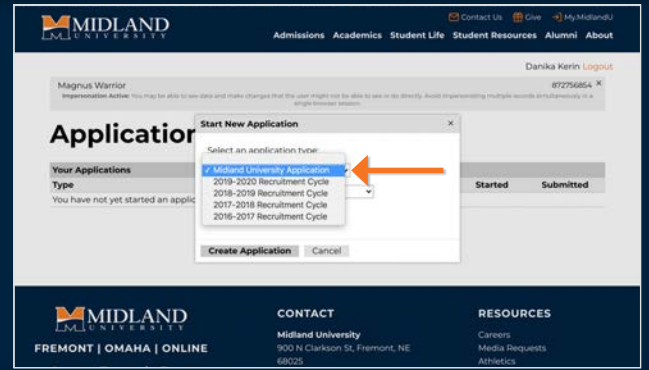

4

Next, you will need to start a new application. Click the orange button at the bottom of the page

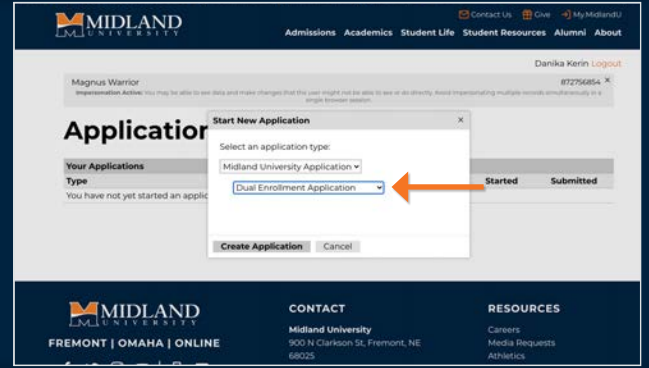

5

To start a new application, select the Midland University Application option.

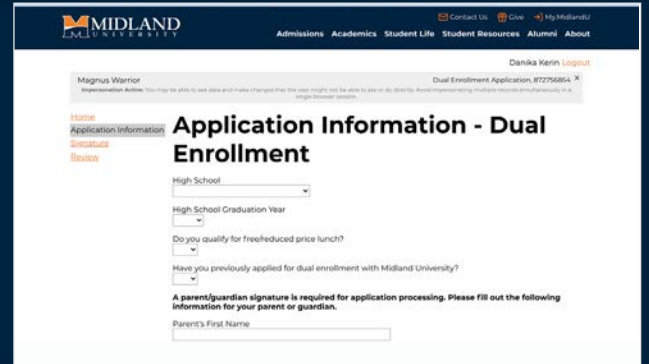

6

You will then choose the Dual Enrollment Application option.

7

This will then take you to the dual enrollment application. Please answer all questions with accurate information so there are no delays during the process.

8

After you have submitted the student application, your parent/guardian will receive an email from Midland with their parent signature form. THIS IS REQUIRED TO BE ACCEPTED.

Once the signature form and other important steps are completed you will be able to see them crossed off your to-list in the application portal.

The signature form is also accessible in the Dual Enrollment Application portal at <https://connect.midlandu.edu/apply/status>
